## Statement on COVID-19 from Milan Auto:

At Milan Auto, our top priority is the health and safety of our employees, customers, and the communities we serve. As the world faces the challenges brought forth by the COVID-19 pandemic, we stand united in our commitment to take proactive measures to mitigate its impact.

During these unprecedented times, we have implemented stringent health and safety protocols in our facilities to safeguard our employees and maintain a safe working environment. We are closely following the guidelines and recommendations from health authorities to ensure that our operations adhere to the highest standards of safety.

As a dowel pin manufacturer, we understand the critical role our products play in various industries, especially those essential for medical equipment, transportation, and infrastructure. We are dedicated to continuing our production to support the global supply chain while keeping the well-being of our workforce at the forefront.

Additionally, we empathize with the challenges faced by our customers and partners during this pandemic. We remain committed to providing them with the necessary support and maintaining seamless communication to address any concerns they may have.

Milan Auto is deeply grateful for the unwavering dedication of frontline workers and healthcare professionals who are tirelessly working to combat COVID-19. We extend our heartfelt appreciation and support to them and their efforts to protect our communities.

As the situation evolves, we will remain vigilant and adaptable, making necessary adjustments to our operations as required to uphold our responsibilities as a socially responsible company.

We believe that by working together and supporting one another, we can overcome these challenging times. Milan Auto remains committed to contributing positively to the global effort to combat COVID-19 and emerge stronger as a community.

Stay safe and take care.

Sincerely,

Munish
